

**September 12-14, 2022**  
**Hyatt Mission Bay, San Diego, CA**

Hello Conference Attendees,

We are looking forward to seeing everyone soon!

**An update on registration - the conference is almost at capacity and seats are limited, so please encourage colleagues to register ASAP.**

**Safety**

Coming back to in-person events, we have taken some COVID precautions and implemented the following protocols:

- Conference attendance is being managed in accordance with respectful social distancing protocols.
- All conference attendees, regardless of vaccination status, will have temperatures taken and be rapid tested upon arrival the welcome reception.

- Masks will not be required at this time, but please utilize at your own discretion.

Some wellness recommendations prior to the event:

- Make sure you are being proactive in building your immune system at least a couple of weeks prior to the event.
- COVID test at home before departing for the event.
- Consider wearing a mask at the airport and on the plane.
- Make sure to wash your hands and use sanitizer regularly during travel.
- Remember to avoid touching your face!

### **Agenda**

Please access the updated agenda on the conference page. The content on September 13 is specifically curated for women in leadership. On September 14, some of our male leaders will join us for thought leadership sessions that have an impact on the industry as a whole.

Moving on to networking! The cocktail welcome reception on September 12 will take place outside in the Banyan Courtyard, followed by a candlelight dinner on the lawn with heaters. The weather is typically in the 70's in San Diego in September, but evenings can get much cooler. Make sure to check the weather prior to travel. It is recommended to bring a sweater and comfortable shoes appropriate for socializing on the grass area. Tennis shoes, flats, or wedges are ideal.

The second night of the event, September 13, we will take a shuttle to Eddie V's in La Jolla departing at 5:45pm, where we will enjoy sunset cocktails and a gorgeous ocean view dinner.

*All meals and beverages are included in the cost of the event!*

### **Dress Code**

The dress code is business casual. Please bring attire for early morning bay walks or yoga. The hotel will provide towels for yoga at the Banyan Courtyard Lawn. The conference room may get a bit chilly at times, so you may want to consider bringing a sweater into the conference room.

### **Accommodations**

You should have received an email confirmation from the Hyatt Mission Bay Spa and Resort. If you have not booked your hotel, you may do so via the link provided on the conference page. Upon check in at the hotel, please ask for a printed agenda for your reference.

If you have any questions or need additional information, please contact our Conference Chair, Lisa Owens at [admin@womeninelectronics.com](mailto:admin@womeninelectronics.com).

We can't wait to see you all for a fantastic conference in September!

*"The desire to reach for the stars is ambitious. The desire to reach hearts is wise."* - Maya Angelou

Safe Travels,
