## **Women in Electronics Expands Board of Directors**

William Lowe Jr. and Lanän M. Clark Join Board of Directors

**Orange County, CA – November 1, 2021** – Women in Electronics, a 501(c)(3) public charity, providing leadership training and development, mentorship, networking, thought-leadership events, and resources that advance results in gender parity in the Electronics Industry, today announced that William Lowe Jr., Co-Chief Executive Officer at Yageo Corporation, and Lanän M. Clark, Regional Director Wealth Management at J.P. Morgan Chase & Company, have joined the Board of Directors for Women in Electronics. Mr. Lowe and Mrs. Clark will now work alongside President/CEO and Founding Director, Jackie Mattox, Vice President and Founding Director, Monica Highfill, and Founding Director, Amy Keller, to drive the vision, mission, and goals of the organization.

“I am honored to join the Women’s in Electronics Board of Directors, and I am looking forward to working with the other Board members to continue the efforts to broaden the reach, scope, and influence of women in our industry,” said William Lowe, Co-Chief Executive Officer at Yageo Corporation.

Lanän M. Clark, Regional Director Wealth Management at J.P. Morgan Chase & Company said, “It’s such an honor and privilege to have the opportunity to serve on the Board of WE alongside stalworths of business - both within the electronics industry and otherwise. Jackie’s vision extends well beyond electronics and WE’s mission resonates with all women who are in male-dominated industries. I’m excited about being a part of WE’s transformational work to empower, equip and embolden!”

“This is a tremendous moment in the evolution of Women in Electronics. Bill and Lanän will have a significant impact on the WE community as they help advance progress towards gender parity in the Electronics Industry,” said Jackie Mattox, President/CEO and Founding Director of Women in Electronics. “On behalf of the Advisory Council and Founding Directors/Executive Committee, I am honored to welcome Bill Lowe and Lanän Clark to the Women in Electronics Board of Directors and look forward to working alongside them to advance our mission in the industry.”

Women in Electronics offers gratitude to Sponsors: Amphenol, Arrow Electronics, Avnet/Newark, AVX (a Kyocera Company), Cornell Dubilier, Digi-Key, Flex Electronics, KEMET, Littelfuse, Octopart, Orbweaver, and TTI Family of Specialists.

### ***About Women in Electronics***

*Women in Electronics was founded in 2017 by a group of women professionals as a way to form a sense of community, develop together, and unite with their male colleagues in an effort to expand the opportunities for women in the Electronics Industry. A 501(c)(3) public charity, WE is focused on advancing women through four organizational goals: empower, advocate, develop and celebrate. Women in Electronics is supported by leading industry organizations and reaches the industry community through regional chapters throughout the US as well as serving a global community.
