## **Women in Electronics Welcomes Scott Theune to its Advisory Council**

**Orange County, CA – December 13, 2022** – Women in Electronics (WE), a 501c3 public charity, providing leadership growth and development, mentorship, networking, thought-leadership events, and resources that advance results in gender parity in the Electronics Industry, announced today Scott Theune, Regional President AMER for Plexus Corp., will join its Advisory Council. Plexus, a global leader in complex product design, supply chain, manufacturing, and sustaining services, is a Silver Sponsor of Women in Electronics.

Of Scott's involvement, Women in Electronics WE Founder, President, & CEO, Jackie Mattox, said, "Over the course of his career, Scott has led under the guiding principles of culture, clarity, and value with the goal of improving the lives of his customers and employees. We're excited Scott will bring that same professionalism and passion to the WE organization".

Scott Theune, Plexus' Regional President AMER stated, "I am excited to join the Advisory Council of Women in Electronics, expanding Plexus' partnership in support of creating the diversity and inclusivity necessary to sustain innovation and growth in the global Electronics industry. Development and mentorship is a personal passion given the benefits generated from empowered women leaders."

WE offers gratitude to sponsors: Allied Electronics/RS, Amphenol, Arrow Electronics, Avnet/Newark/Farnell, Kyocera/AVX, Cornell Dubilier, Digi-Key, Flex Electronics, Future Electronics, Galco Industrial Electronics, Littelfuse, Octopart, Orbweaver, Plexus, Samtec, Sourceability, Supplyframe, TTI Family of Specialists, and YAGEO Group.

###

### **About Women in Electronics**

Women in Electronics (WE) was founded in 2017 by a group of industry professionals to offer a sense of community, develop together, and unite with colleagues to advance results in gender parity in the Electronics Industry and related End User Markets. WE is focused on four organizational goals: empower, advocate, develop and celebrate, providing leadership training and development, mentorship, networking, thought-leadership events, and resources. Women in Electronics is supported by leading industry organizations and reaches the industry community through events and local chapters throughout the US, Mexico, and Europe, with plans to reach a broader global community. To learn more about Women in Electronics, visit [www.womeninelectronics.com](http://www.womeninelectronics.com).

*WE is a 501c3 non-profit, social impact organization that ensures inclusivity for anyone who would like to be a part of their mission.*

### **About Plexus**

Since 1979, Plexus has been partnering with companies to create the products that build a better world. We are a team of nearly 25,000 individuals who are dedicated to providing Design and Development, Supply Chain Solutions, New Product Introduction, Manufacturing and Sustaining Services. Plexus is a global leader that specializes in serving customers in industries with highly complex products and demanding regulatory environments. Plexus delivers customer service excellence to leading companies by providing innovative, comprehensive solutions throughout a product's lifecycle.
