Women in Electronics Announces Holly Good as WE Recognizes 2020 Recipient

Orange County, CA – November 11, 2020 – Women in Electronics (WE), a 501(c)(3) non-profit organization dedicated to the professional and personal development of women in the Electronics Industry, today announced Holly Good, National Distribution Manager for Cornell Dubilier Electronics and Founding Advisory Board Member for Women in Electronics, as the 2020 recipient of the “WE Recognizes” award at their 4th Annual Leadership Conference.

The WE Recognizes award is intended to acknowledge and celebrate women who have demonstrated outstanding achievement within the WE goals to *Empower, Advocate, Develop, and Celebrate* women in the Electronics Industry. As stated by WE Founder and President Jackie Mattox, “The woman receiving this award demonstrates the organizational values of honor, authenticity, courage, and commitment by her conduct personally and professionally and embodies a spirit of unity within the WE organization and the industry.”

Head of Supplier Management for Newark Element 14/Avnet and WE Recognizes 2019 recipient, Heather Fulara, officially presented Mrs. Good with this honor. Mrs. Fulara recognized Holly’s contributions to not only Women in Electronics, but the industry as a whole. “Holly is well respected in our industry as a talented and trusted partner. She possesses many strengths as a leader, and her positive attitude lifts up those around her, encouraging others and unifying people. Holly has been a critical link in the success of Women in Electronics – committed to the growth and development of

women in our industry by getting the growing number of regional chapters up and running, and by supporting WE's sponsorship efforts," said Mrs. Fulara.

"What a surprise and honor to be the recipient of this year's WE Recognizes award. It has been a privilege to serve as one of the Founding Advisory Board members and to have a hand in the development of the organization," said Mrs. Good. "The WE core values of honor, authenticity, courage and commitment are values I try to uphold in all areas of my life, so this is very meaningful to me. Thank you to the Women in Electronics organization for this honor!"

Women in Electronics offers gratitude to Sponsors: Amphenol, Arrow, Avnet/Newark, AVX, Cornell Dubilier, Digi-Key, KEMET, and TTI Family of Companies.

###

Women in Electronics was founded in 2017 by a group of women professionals as a way to form a sense of community, develop together, and unite with their male colleagues in an effort to grow the talent in the electronics industry. A 501(c)(3) non-profit organization, WE is focused on advancing women through four organizational goals: empower, advocate, develop and celebrate. With Chapters in over 18 cities, Women in Electronics is supported by leading industry organizations. To learn more about Women in Electronics, visit <https://www.womeninelectronics.com/>

WE. More than a membership. A movement.
